Topic for this brown bag:

Designing a Teaching Portfolio

Why Come:

- **Improve your teaching**
- **Discuss common GTA problems and solutions**
- **Learn from your peers**
- **Talk across disciplines**
- **Free lunch!!**

As you prepare yourself for the job market, you'll need to put together your teaching portfolio. Even if you're still in the early stages of your graduate career, designing your portfolio is much easier (and more effective) if it's an ongoing process where you build upon your portfolio as you gain new skills. Let's talk about:

- Writing your teaching philosophy and personal bio
- Marketing your teaching experience
- Moving your portfolio into an online, web-based format

Free lunch for all that attend!

Look for the next GTA event in June!
