

The Office for Teaching and Learning

New Faculty Luncheon and Open House

Friday, October 3, 2008
12:00 - 2:00

Technology Resource Center, Purdy/Kresge Library

Our staff is looking forward to helping you connect with your peers and talking with you about how the OTL can support and collaborate with you on your teaching!

New faculty often report feeling disconnected from their university and colleagues. Yet having a community of peers makes our jobs more enjoyable. That's why we'd like to invite you to take some time out of your busy schedules to meet your fellow new faculty and begin building your own WSU community. Join us for lunch, followed by a discussion about teaching and the challenges faced by new faculty. Copies of the book, *The Missing Professor*, will be provided for those interested in continuing this discussion on a monthly basis.

Enter the OTL Raffle!

To help you manage your new role, we'll trade you...
